Dear Northern Mississippi ACS Member:

The Ole Miss ACS Subsection is attempting to obtain full Section status this year. Such status will entitle us to a larger sharing of ACS funds, so that we can afford to bring outside speakers and tour speakers to our local meetings. We need the signatures of 50 local ACS members to apply, which is just about the total number of local members. Even if you have not been an active ACS participant, then, we would very much appreciate your signing and returning the petition below. We will be glad to keep you on our mailing list to inform you of our meetings and activities, unless you direct us otherwise. Thank you.
